

**125 Grs CAVIAR CHIPS TECHNICAL DATA SHEET****POTATO CHIPS**

According to Royal Decree 126/1989 defines fried potatoes as product obtained from healthy potatoes, without signs of soiling, peeled, properly washed, cut and fried in olive oil, sunflower oil, and vegetable fats.

EAN	REFERENCE	PRODUCT	NET WEIGHT
8414139005409	120121	CAVIAR CHIPS	125g

**QUALITATIVE COMPOSITION:**

INGREDIENTS: Potatoes, olive oil, sunflower oil and Caviar flavouring.

**ORIGIN OF INGREDIENTS:**

All ingredients used in the recipe are Spanish origin.

**EXPECTED USE:**

The product is ready to eat directly as appetizer, alone or mixed with other ingredients.

**PREFERENTIAL CONSUMPTION:**

The best before date of the product is 12 months from the date of manufacture. This date is indicated in all the sales units, as established by the implementing legislation. Half-life analysis is performed based on organoleptic parameters, physic-chemical and microbiological. Based on these results the preferential consumption is set.

### PRESENTATION AND PACKAGING

Product packaged in opaque plastic bag with golden triple inner layer of aluminium.

#### **STORAGE AND TRANSPORT CONDITION:**

Transport and distribution must be made and packaged in sealed packaging protected from any contamination. Transport and storage should not merge with toxic substances, parasiticides, rodenticides and other preventive agents and extremities, and prevent contact with altered foods, contaminated, adulterated or counterfeit.

Store in a cool, dry place under light.

#### **PRODUCT TRACEABILITY**

In the reception, after the checking of the compliance of specifications established with our suppliers we established bars codes (batch) that identify the whole of the product, both raw materials as auxiliary primary and secondary, which form part of the end product.

When using this in the production process, final product labels are obtained which identifies the total materials used in the manufacturing process.

\* The company does not work with genetically modified organisms and, should this situation change we will communicate to customers and will declared it on the label as established by legislative application.
